Internship Program Guide

This handbook contains important information about the internship program, schedule, responsibilities, and guidelines for interns.

1. About Global Edge Solutions

Global Edge Solutions works with businesses to improve their online presence using modern digital marketing strategies. Our services include search engine optimization, social media marketing, local business promotion, and lead generation. This internship program is designed to provide students and freshers with real-world exposure to marketing work.

Core Areas of Work:

- Search Engine Optimization (SEO)
- Social Media Marketing
- Online Brand Promotion
- Local Business Marketing
- Lead Generation Strategies

2. Internship Objectives

- Provide real industry exposure to digital marketing.
- Develop practical digital marketing skills.
- Improve communication and marketing understanding.
- Work on real tasks and projects.
- Prepare interns for professional marketing careers.

3. Internship Duration

The internship duration is 2–3 months depending on participation and performance. Interns must complete assigned learning tasks and participate actively throughout the program.

4. Working Days

The internship runs from Monday to Friday. There are no internship sessions on Saturdays and Sundays. Weekends may be used by interns for revision or personal learning if they wish.

5. Daily Internship Schedule

Morning Session – Self Learning (9:00 AM – 12:00 PM)

Interns will focus on learning digital marketing concepts during this session. Training material and daily learning tasks are available on the Intern Dashboard.

- Watching training videos
- Reading digital marketing materials
- Completing dashboard learning tasks
- Practicing digital marketing techniques

Afternoon Session – Client Calling & Practical Work (3:00 PM – 5:00 PM)

This session focuses on practical exposure and real business communication.

- Calling potential business clients
- Introducing digital marketing services
- Understanding client requirements
- Learning lead generation and reporting

6. Code of Conduct

- Maintain respectful and professional communication.
- Follow ethical marketing practices.
- Avoid plagiarism or copying content.
- Follow the internship schedule and instructions.
- Maintain professionalism while communicating with clients.

7. Internship Certificate

Interns who successfully complete the internship will receive an Internship Completion Certificate from Global Edge Solutions.

- Completion of internship duration
- Participation in learning and practical sessions
- Completion of assigned tasks
- Following internship guidelines

Final Note

This internship provides an opportunity to gain real experience in digital marketing. Interns who actively participate and consistently complete their tasks will gain valuable skills for future career opportunities.
